

Working with Male Survivors: How Sexual Assault Impacts Transgender Men – Part 1

michael munson joins NSVRC’s Louie Marven to talk about working with transgender men and transmasculine survivors. In this first part of a two-part conversation, michael talks about foundational concepts of gender relevant to working with trans men and transmasculine folks, and common reactions to sexual assault that may be especially relevant for advocates to understand in working with trans men and transmaculine survivors. michael is the executive director of FORGE.
